Data imported from other clinical systems such as radiology, pathology and prescribing systems are used at the discretion of the user. Please be aware that ppm+ should not yet be considered a full electronic patient record and can only therefore be treated as an electronic guide. ppm+ users are bound by the Trust policies for the use of information.

Help Using the Service

This EPR is available to authorised users only. If you are having problems logging in or using the service, please contact the IT Service Desk on the following number.
Tel: 0113 392 6655 (Mon-Fri 8am-6pm)

Suggestions for EPR improvement

If you have any development ideas or comments on your experience of using the EPR, please send your comments via the feedback facility within the EPR. We do appreciate your help.

A more complex patient = more care provider tabs will be shown

The screenshot shows a patient record for MORRISON, Dorothy. The top navigation bar includes tabs for Hospital, General Practice, Mental Health, Community, Adult Social Care, Child Social Care, and Hospice. A left sidebar lists various actions like 'View Patient Details', 'Allergies', and 'Medications'. The main content area is divided into sections: 'Planned' (with a table of appointments), 'Patient Clinical Alerts' (with a table of alerts), and 'Patient history' (with a note that no summary text is entered).

Hospice Tab

The screenshot shows a medical software interface with a sidebar on the left and a main content area. The sidebar contains a list of menu items: BERYL, Test (Master), All, Alerts, Allergies, eMeds Allergies, Audits/Tracking, Clinical Documents, Dictation (EPRO), Health View, Encounters/Events, Medications, eMeds Medications, Observations, Orders, ICE Request, Plans, Problems/Issues/Diagnoses, Procedures, Results, Clinical Photography, ICE Result, PACS, Scheduling, Tasks, and Trials/Studies. The main content area has a top navigation bar with tabs: Hospital, General Practice, Mental Health, Community, Adult Social Care, and Hospice. The 'Hospice' tab is selected. A notification box in the main content area reads: 'This patient has an open referral to: St Gemmas Hospice, 329 Harrogate Road, Moortown, Leeds, LS17 6QD. The contact number for this hospice is 0113 218 5500'. To the right of the notification is a grey box with the text: 'Does your patient have an open referral with a Hospice in Leeds?'. Below this is a box containing two logos: 'St. Gemma's Hospice Always caring' and 'Sue Ryder Wheatfields Hospice'.

Does your patient have an open referral with a Hospice in Leeds?
